

Hostess Rewards

Hosting a BC party is fun and rewarding! It's easy. The more friends you invite the more rewards you can earn! Have friends who can't attend? They don't have to miss out, ask if they would like to host a BC party of their own or place an order on behalf of your party.

Relax. This is supposed to be a fun, rejuvenating experience for you. I'll bring everything needed to create a relaxing fun party for you and your friends.
